

# THE *Evolving Enneagram*

PERSONALITY PROCESS PRESENCE

## THE ENNEAGRAM: ICON & MAP *for* SPIRITUAL TRANSFORMATION

*with Ruth Hill & Carol Jackson*

A retreat bringing together the teachings of the Enneagram of Personality, of G. I. Gurdjieff, the mystical traditions, and the wisdom of the body

**Thursday, March 3rd, 4pm  
to Sunday March 6th, Lunch**

**Richmond Hill Retreat Center  
Richmond, Virginia**

We are incarnated beings, with a personality and a spark of divinity inherent in each of us. How do we bridge our personality and our spirituality in a grounded embodied way? We move from *either/or* thinking to an *and/and* perspective where the personality is a vital tool in the conscious process to Presence.

*In this retreat we will:*

- start “In the beginning” with the story of Incarnation, the Law of Three
- enter the map into the territory of personality from the perspective of wholeness.
- explore how type reveals the dilemmas we face in a spiritual journey
- bridge the role of personality to the process of embodied conscious work
- cultivate awareness using stillness, body prayers, art, journaling, and walking the Enneagram symbol

*The program will be of interest to those who are at all stages of a spiritual journey—beginner and seasoned alike. It does require a working knowledge of the Enneagram of Personality.*
